

RESOLUTION NO. 2004-09-019R

**A RESOLUTION REVISING A RESOLUTION ESTABLISHING PROCEDURES FOR APPROVAL OF ANNEXATION AGREEMENTS FOR THE PURPOSES OF SANITARY SEWER CONNECTION**

WHEREAS, the City of Urbana and the Urbana-Champaign Sanitary District (UCSD) entered into an intergovernmental agreement (UCSD Agreement) which provides that UCSD will not permit persons to connect to its sanitary sewer system unless the property to be served is within the City, within a subdivision approved by the City, or is in an area that is the subject of an annexation or development agreement with the city; and

WHEREAS, UCSD and the City desire to implement the UCSD Agreement without causing unnecessary delay for persons who are willing and able to enter into annexation agreements; and

WHEREAS, the City finds that if a person delivers to the City an irrevocable offer to enter into an annexation or development agreement in the form of an annexation agreement or annexation petition, that UCSD should then be authorized to provide sanitary sewer service to the property under the UCSD Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

Section 1. An annexation agreement or annexation petition may be presented to the City Council or to a Standing Committee of the Whole City Council for review and approval (or in the case of an annexation agreement, tentative approval) for the purpose of allowing a UCSD sanitary sewer service connection.

Section 2. If the said annexation agreement or annexation petition is acceptable to the City Council or Standing committee of the Whole City Council, they shall, by motion, direct City staff to inform the UCSD that the City of Urbana has received an annexation agreement or annexation petition in

a form acceptable to the City and that said agreement or petition is considered sufficient to authorize UCSD to provide sanitary sewer service to the property.

Section 3. In situations where an existing septic sewer serving the subject property fails, and the Chief Administrative Officer determines that a public health hazard may be created, the Chief Administrative Officer may authorize the City Staff to inform the Urbana-Champaign Sanitary District that the City has received an annexation agreement acceptable to the City, or a legally sufficient petition for annexation. Then the annexation agreement or petition shall be promptly presented to the City Council for their consideration in the normal course of processing rather than following the special procedure set forth in Sections 1 and 2 above.

Section 4. Nothing in this process shall be construed to preempt the requirements of the Illinois State Statutes governing the approval of annexation agreements, nor shall approval of sanitary sewer connections as provided for herein, prevent the City Council from amending, modifying, supplementing or denying approval of the tendered annexation agreement in the final approval process.

PASSED by the City Council this 20th day of September, 2004.
