Article 35	Universal Identifier and System of Award Management (SAM)	Recipients are required to comply with the requirements set forth in the government-wide financial assistance award term regarding the System for Award Management and Universal Identifier Requirements located at 2 C.F.R. Part 25, Appendix A, the full text of which is incorporated here by reference.
Article 36	USA Patriot Act of 2001	Recipients must comply with requirements of Section 817 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act), Pub. L. No. 107-56, which amends 18 U.S.C. §§ 175-175c.
Article 37	Use of DHS Seal, Logo and Flags	Recipients must obtain permission from their DHS FAO prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.
Article 38	Whistleblower Protection Act	Recipients must comply with the statutory requirements for whistleblower protections (if applicable) at 10 U.S.C § 2409, 41 U.S.C. § 4712, and 10 U.S.C. § 2324, 41 U.S.C. §§ 4304 and 4310.
Article 39	Acceptance of Post Award Changes	In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to ASK-GMD@dhs.gov if you have any questions.

Article 40 Prior Approval for Modification of Approved Budget

Before making any change to the DHS/FEMA approved budget for this award, you must request prior written approval from DHS/FEMA where required by 2 C.F.R. § 200.308. DHS/FEMA is also utilizing its discretion to impose an additional restriction under 2 C.F.R. § 200.308(e) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the Federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from DHS/FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget DHS/FEMA last approved. You must report any deviations from your DHS/FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.

Article 41 Disposition of Equipment Acquired Under the Federal Award

When original or replacement equipment acquired under this award by the recipient or its subrecipients is no longer needed for the original project or program or for other activities currently or previously supported by DHS/FEMA, you must request instructions from DHS/FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. § 200.313.

Article 42 Environmental Planning and Historic Preservation

DHS/FEMA funded activities that may require an EHP review are subject to FEMA's Environmental Planning and Historic Preservation (EHP) review process. This review does not address all Federal, state, and local requirements. Acceptance of Federal funding requires recipient to comply with all Federal, state and local laws. Failure to obtain all appropriate federal, state and local environmental permits and clearances may jeopardize Federal funding. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP Review process, as mandated by the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and, any other applicable laws and Executive Orders. To access the FEMA's Environmental and Historic Preservation (EHP) screening form and instructions go to the DHS/FEMA website at: <https://www.fema.gov/media-library/assets/documents/90195>. In order to initiate EHP review of your project(s), you must complete all relevant sections of this form and submit it to the Grant Programs Directorate (GPD) along with all other pertinent project information. Failure to provide requisite information could result in delays in the release of grant funds. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archeological resources are discovered, applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

2020 REGIONAL GRANT APPLICATION**

This Memorandum of Understanding (“MOU”) sets forth the terms by which the Parties shall apply for and administer a Federal Emergency Management Agency (“FEMA”) Assistance to Firefighters Grant (“AFG”). This MOU is made and entered on the date it is first fully executed by the parties hereto: Champaign Fire Department, Carroll Fire Department, Cornbelt Fire Department, Homer Fire Department, Rantoul Fire Department, Savoy Fire Department, St. Joseph Fire Department, Thomasboro Fire Department, Tolono Fire Department, and Urbana Fire Department (each a “Party” and collectively the “Parties”).

WHEREAS, the AFG is a regional grant available for expenses incurred by fire departments in responding to the COVID-19 pandemic; and

WHEREAS, the application for the grant requires specification of costs for COVID-19 related personal protective equipment (“PPE”) to be purchased by the Parties, as well as a request for reimbursement for PPE already purchased by the Parties; and

WHEREAS, the application for the grant requires that the Parties execute a Memorandum of Understanding specifying the responsibilities of the Parties and the proposed distribution of all funds received from the AFG in the event that the grant is awarded to and accepted by the Parties; and

WHEREAS, Section 10 of Article VII of the Illinois Constitution and the Intergovernmental Cooperation Act, 5 ILCS 220/1, et seq., provide for and enable the Parties to enter into cooperative agreements among themselves.

NOW, THEREFORE, the Parties hereto agree as follows:

Section 1. Host/Lead Agency Responsibilities. Champaign shall be designated as the host/lead agency to submit the application on behalf of the Parties. In the event that the grant is awarded by AFG and accepted by the Parties, Champaign agrees to serve as the grant administrator according to AFG program guidelines to: (1) procure, administer, and distribute the PPE and grant funds approved in the application; (2) account for the PPE and grant funds received; and (3) provide reporting requirement deliverables.

Section 2. Participating Partner Agencies Responsibilities. From time-to-time, the Parties agree to provide Champaign with information and documentation necessary to fulfill

AFG reporting requirements. In the event that the grant is awarded by AFG and accepted by the Parties, the Parties agree to provide a cost share match of 10% of the approved cost of their PPE as detailed in the grant application. In advance of PPE procurement, the required cost share match shall be paid by each respective Party within thirty (30) days after receipt of an invoice from Champaign to the persons identified in the PPE Distribution List attached as **Exhibit A**.

Section 3. Cost Share. The proposed total cost share for the grant is 90% AFG and 10% Parties. In the event of a reduced award amount, the Parties agree to provide a 10% cost share match on the total reduced award amount of the approved cost of their PPE.
