AGREEMENT

This Agreement has been made and entered into by and between the City of Urbana, Illinois (hereinafter referred to as the "City"), and the American Federation of State, County and Municipal Employees, council 31, AFL-CIO, for and on behalf of Local 1331, (hereinafter referred to as the "Union").

PREAMBLE

The City has endorsed the practices and procedures of collective negotiations as a fair and orderly way of conducting its relations with its full-time employees insofar as such practices and procedures are appropriate to the functions and obligations of the City to retain the right to operate the City effectively in a responsible and efficient manner and insofar as such practices and procedures are consonant with the paramount interests of the City and its residents; it being the intent of the parties to promote fair relations between the City and the Union, and to establish a procedure for the peaceful resolution of grievances, rates of pay, and other terms and conditions of employment; the Union being the recognized representative for the unit set forth in Article I of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties do mutually covenant and agree as follows:

ARTICLE I - RECOGNITION AND REPRESENTATION

Section 1.1

The City recognizes the Union as the sole and exclusive bargaining representative for all permanent, full-time employees and all non-uniformed permanent, full-time, non-supervisory employees in the Police Department. Excluded from recognition are all management, supervisory, and appointed personnel together with all probationary personnel during the first three months in those departments, including but not limited to the Director and Deputy Director of Public Works, the City Arborist, Operations Supervisors, Supervisors of the Public Works Department, and other Public Works Division Supervisors, Police Department Services Supervisor, employees of the City Clerk's Office, Administrative Coordinators, Administrative Assistants, Customer Service and Account Clerks, City Engineer, Engineering Technicians, and all employees included in other recognized bargaining units.

Section 1.2 Non-Discrimination.

(a) Prohibition Against Discrimination

Neither the City nor the Union shall discriminate against any employee on the basis of race, gender, sexual orientation, religion, color, creed, class, marital status, age, national origin, veteran status, physical or mental disability, genetic information, political affiliation and/or

beliefs, gender identity or expression, personal appearance, family responsibilities, matriculation or any other state or federally protected class.

(b) Union Membership and Activity

No employee shall be discriminated against, intimidated, restrained or coerced in the exercise of any rights granted by law or by this Agreement, or on account of Union membership or non-membership, or activities on behalf of the Union.

ARTICLE II - DEDUCTION OF UNION DUES

Section 2.1 Deductions.

Upon notification by Union, the Employer shall make such deductions in the amounts certified by the Union for union dues, assessments, or fees; and PEOPLE contributions. Authorized deductions shall be irrevocable except in accordance with the terms under which an employee voluntarily authorized said deductions and applicable laws.

Section 2.2 Administration of Payroll Deductions.

The aggregate deductions of all employees and a list of their names, addresses and unique employer identification numbers shall be remitted monthly to the Union, in Excel format, to the email address or addresses provided to the Employer by the Union. The Union shall advise the Employer of any increase in dues or other approved deductions in writing at least thirty (30) days prior to its effective date.

Section 2.3 Indemnification.

The Union shall indemnify the City and hold it harmless against any and all claims, demands, suits or other forms of liability that may arise out of, or by reason of, any action taken by the City for the purpose of complying with the provisions of this Article.

Section 2.4 Availability of Cards.

All inquiries about union membership shall be referred to the Union. The employer may communicate with employees regarding payroll procedures.

ARTICLE III - MANAGEMENT RIGHTS

Section 3.1 Management Rights.

It is recognized that the City has and will continue to retain the rights and responsibilities to direct the affairs of the City in all of its various aspects. Among the rights retained by the City are the City's right to direct the working forces; to establish the qualifications of employment and to employ employees; to plan, direct and control all the operations and services of the City; to schedule and assign work; to establish work and productivity standards and to, from time to time, change those standards; to assign overtime; to determine the methods, means, organization, and the number of personnel by which such operations and services shall be made or purchased; to make and enforce reasonable rules and regulations; to change or eliminate

existing methods, equipment or facilities; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

ARTICLE IV - NO STRIKE AND NO LOCKOUT

Section 4.1 No Strike.

Neither the Union nor any officers, agents, or employees will instigate, promote, sponsor, engage in, or condone any strike, slowdown, concerted stoppage of work, concerted refusal to perform overtime, or any other intentional interruption of the operations of the City, regardless of the reason for so doing. Any or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the City.

Section 4.2 No Lockout.

The City will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE V - GRIEVANCE PROCEDURE

Section 5.1 Definitions.

(a) A grievance is defined as any difference, complaint or dispute between the City and the Union or any employee covered by this Agreement regarding the application, meaning, or interpretation of this Agreement or arising out of other circumstances or conditions of employment.

(b) Disputes Not Subject to Arbitration. Disputes or differences of opinion raised by the Union or by an employee which involve matters other than the meaning, interpretation or application of the express provisions of this Agreement may be processed in Accordance with Section 5.2 and 5.3 below. Such disputes shall not, however, be subject to arbitration (Section 5.4).

Section 5.2 Time Limit for Filing.

(a) No grievance shall be entertained or processed unless it is submitted within ten (10) business days after the Union or the employee, through the use of reasonable diligence should have obtained knowledge of the occurrence of the event giving rise to the grievance; or within ten (10) business days after the City's action in the case of a disciplinary suspension, discharge, or layoff from work.

If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next Step within the specified time limit or any agreed extension thereof, it shall be considered withdrawn.

If the City does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved employee and/or the Union may elect to treat the grievance as denied at that Step and immediately appeal the grievance to the next Step. The time limit in each Step may be extended by mutual written agreement of the City and Union

representatives involved in each Step. The term "business days" as used in Article shall mean the days Mondays through Fridays inclusive, excluding holidays, when employees covered by this Agreement are scheduled to work.

(b) Grievances may be withdrawn at any Step of the Grievance Procedure without prejudice. Grievances not appealed within the designated time limits will be treated as withdrawn grievances.

(c) The time limits at any Step or for any hearing may be extended by mutual agreement of the parties involved at that particular Step.

Section 5.3 Procedure.

A grievance shall be processed in the following manner:

Step 1. An employee, with or without their steward (or in the steward's absence, their designated alternate), who has a grievance shall submit it to their immediate non-union supervisor, in writing on the approved grievance form. No adjustment shall be reached without the steward that may be inconsistent with this Agreement. The supervisor shall give their written answer in the appropriate place on the form within five (5) business days after such presentation.

Step 2. If the grievance is not settled in Step 1 and the employee wishes to appeal the grievance to Step 2 of the Grievance Procedure, it shall be referred in writing to the employee's Department Head or their designated representative within five (5) business days after the City's answer in Step 1, and shall be signed on the same approved grievance form used in Step 1, by both the employee and the Union Steward. The appropriate Department Head or their representative shall discuss the grievance within five (5) business days with the Union Steward at a time mutually agreeable to the parties. The appropriate Department Head or their representative shall give the City's written answer to the Union within three (3) business days following their meeting.

Step 3. If the grievance is not settled in Step 2, and the Union desires to appeal, it shall be referred by the Union in writing on the same approved form submitted at Step 1 with all answers attached, to the Administrative Officer or their representative within five (5) business days after the City's answer in Step 2. A meeting between the Administrative Officer or their representative and the Chairperson of the Union Grievance Committee shall be scheduled for the purpose of attempting to adjust the grievance at a time mutually agreeable to the parties within five (5) business days of receipt of the grievance. The Administrative Officer or their designee shall give the City's written answer to the Union within five (5) business days following the meeting.

Section 5.4 Arbitration.

(a) If the grievance is not settled in accordance with the foregoing procedures the Union may refer the grievance to arbitration within ten (10) business days after receipt of the City's answer in Step 3. The parties shall attempt to agree upon an arbitrator within five (5)

business days after receipt of notice of referral and in the event the parties are unable to agree upon an arbitrator within said five (5) day period, the parties shall immediately jointly request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of seven (7) arbitrators. Both the City and the Union shall have the right to strike three (3) names from the panel. The Union shall strike the first name. The City shall then strike a second name, and the parties shall then continue to alternatively strike names from the panel until only one name remains and the remaining person shall be the arbitrator. The arbitrator shall be notified of such selection by a joint letter from the City and Union representatives, requesting that they set a time and place, subject to the availability of the City and Union representative. All arbitration hearings shall be held in Urbana, Illinois (unless the parties mutually agree otherwise).

If any grievance pertains to an employee's termination, then absent mutual written agreement between the City and Union, the arbitration hearing shall commence within sixty (60) days after the arbitrator accepts appointment. Absent an agreed upon extension, if the hearing does not begin within such sixty (60) day period, the City shall be relieved of any back pay liability occasioned by the delay. If the arbitration is delayed solely because of the arbitrator's or City's schedule the liability relief provision shall not apply.

(b) The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this Agreement. They shall only consider and make a recommendation with respect to the specific issue submitted to them in writing by the City and the Union, and shall have no authority to make a recommendation on any other issue not so submitted to them. In the event the arbitrator finds a violation of the terms of this Agreement, they shall be empowered to fashion an appropriate remedy. The arbitrator shall be without power to make a recommendation contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. No liability shall accrue against the City for a date prior to the date the grievance was presented in writing, or in disciplinary cases, to the date of the discipline (and taking into consideration interim compensation and efforts to mitigate damages). The arbitrator shall submit in writing their decision within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon their interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding.

(c) The fees and expenses of the arbitrator, if any, and the cost of a written transcript, where jointly requested, for the arbitrator, if any, shall be borne equally by the City and the Union. When only one party requests a written transcript of the hearing, the requesting party shall be responsible for the cost. Each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript.

Section 5.5 Exclusivity of the Grievance Procedure.

The procedure set forth in this Article shall be the sole and exclusive procedures for resolving any grievance or dispute in Section 5.1, which was or could have been raised by an employee covered in this Agreement. It is expressly understood that the procedures set forth in this Article completely replace (and are not in addition to) any appeal process of the Civil Service Commission or of any other Board, Commission, or agency of the City, and further, that employees covered in this Agreement shall not have recourse to any such set procedures. Grievances involving disciplinary suspensions of more than five (5) days and terminations may be initially filed at Step 2 of the Grievance Procedures.

ARTICLE VI - HOURS OF WORK

Section 6.1 Application of this Article.

This Article is intended to define the normal hours of work per day or per week and provide the basis for the calculation of, and payment of, overtime and shall not be construed as a guarantee of hours of work per day or per week, or a guarantee of days of work per week.

Section 6.2 Normal Workweek. The normal workweek shall consist of forty (40) hours per week and five (5) consecutive workdays within a calendar week (Saturday 12:00 a.m. - Friday 11:59 p.m.). Two (2) work weeks constitute a single pay period.

Section 6.3 Normal Workday. The normal workday shall consist of eight (8) consecutive hours of work which may be interrupted by a lunch period. For some Police Services Representatives, the normal workday shall consist of ten (10) consecutive hours of work which may be interrupted by a lunch period.

Section 6.4 Shifts.

(a) Normal shift times in effect at the execution of this Agreement are:

1) For account clerks, 8:00 a.m. to 5:00 p.m.

2) For Police Services Representatives (PSRs), shifts may be established from time to time pursuant to 6.5. The shifts starting times in effect at the execution of this agreement will be between 9:00 to 11:00 p.m., 5:00 to 7:00 a.m. and 1:00 to 3:00 p.m. The PSR Coordinator position will start at 8:00 a.m., however, such starting time shall be subject to change with proper notice in accordance with Section 6.5, below.

PSRs and the PSR Coordinator shall be paid an additional one dollar (\$1.00)/hour for all hours worked between 5pm and 11:30pm.

3) For all non-LRC Public Works employees:
7a.m. - 3p.m. with a 20 minute paid lunch

4) For LRC Public Works employees: 7:45a.m. - 4:15p.m. with a 30 minute unpaid lunch.

5) For all Parking Enforcement Officers the current scheduling practices will apply and the following will be considered regular shifts:

- a. Monday - Friday, 5a.m. - 2p.m.
- b. Monday - Friday, 7a.m. - 4p.m.
- c. Monday - Friday, 8a.m. - 5p.m.
- d. Monday - Friday, 9a.m. - 6p.m.

The two (2) Parking Enforcement Officers with the least seniority shall alternate between the schedule set forth in Section 6.4(a)(5) and a Tuesday - Saturday schedule, with Saturday hours from 7:00 a.m. to 4:00 p.m.

(b) An employee whose shift extends from one (1) calendar day to another (for example, from Monday into Tuesday or from the day before a holiday into the holiday) shall be considered as working on the calendar day on which they started to work.

Section 6.5 Work Schedule.

Work schedules showing the employee's shifts, workdays, and hours shall be posted on all department bulletin boards at all times.

Should it be necessary, in the interest of efficient operations, to establish daily or weekly work schedules departing from the regular workday or the regular workweek, and which are intended to last more than thirty (30) days, the City shall provide a notice of the change to the Union at least thirty (30) days in advance of the change, whenever practicable, but no less than ten (10) days in advance of the date the change is to take effect.

However, the parties agree and acknowledge that there may arise a temporary, extraordinary, unforeseeable, or emergency event in which management may not anticipate a need for change in shift ten (10) days prior. In those circumstances, management will advise the Union as soon as possible, and the parties commit to meet and discuss the change in good faith.

If new shifts, workdays, or hours are permanently established, the City shall give consideration to assignment requests of employees. When a Police Services Representative vacancy in the Police Department occurs, it shall first be offered to incumbents and be filled on the basis of employment seniority. While preference will normally be given to the requests of employees with the most seniority, it is expressly recognized that there must be experienced employees on all shifts, workdays and hours.

New shifts, workdays or hours shall not be temporarily established for the purpose of avoiding the payment of overtime.

If the City temporarily establishes twelve-hour shifts for emergencies, AFSCME employees who work the twelve-hour shifts or longer shall be paid at the following rates:

First 8 hours (Monday through Friday)	Hourly wage PLUS \$1. 50 and percent of longevity earned per hour
4 or more hours after the first 8 hours (Monday through Friday)	Hourly overtime rate PLUS \$2.25 and percent of longevity earned per hour
12-hour shift on weekends and holidays	Hourly overtime rate PLUS \$2.25 and percent of longevity earned per hour.

Shift differential will be paid for emergency 12-hour shifts and not for scheduled 12-hour shifts.

Examples of unscheduled 12-hour shifts would include, but are not limited to:

Snow removal
Tornado cleanup
Ice storm cleanup
Flooding cleanup

Examples of scheduled 12-hour shifts would include, but are not limited to:

Leaf collection
Street/parking lot painting
Sweetcorn Festival
Fourth of July parade
Street sweeping
Landscape Recycling Center work

The City agrees that in the event employees are working after midnight during the last shift of snow storm overtime that the effected employee(s) will be given eight (8) hours off without loss of pay, from the time they clock out after midnight until eight (8) hours later when they clock back in to assume the remainder of their shift on that same working day. The twelve (12) hour snow shifts will run from 11:00 a.m. - 11:00 p.m., and from 11:00 p.m. - 11:00 a.m.

Section 6.6 Overtime Pay.

Employees shall be paid one and one-half (1 1/2) times their regular straight time hourly rate of pay for all hours worked in excess of forty (40) hours per week or eight (8) hours per day, except that if an employee begins overtime work during one (1) calendar day and continues working into the next calendar day, the employee shall be required to work eight (8) hours in the second calendar day at the straight-time rate of pay before being eligible for pay at the overtime rate of pay.

Section 6.7 Distribution of Overtime Work-Public Works.

(a) So far as practicable and without reducing efficiency of work performance, opportunities to work overtime shall be distributed among

those employees covered by this Agreement who are qualified to perform the specified overtime work required.

City shall make every effort to enlarge the pool of qualified employees to perform scheduled overtime duties via voluntary cross-training. The Union recognizes that exclusive overtime will remain for those duties in specialized areas, including but not limited to lighting, fleet maintenance, parking, and the Landscape Recycling Operations. This provision does not limit the rights of the City to make efficient utilization of the work force.

(b) The opportunity to work overtime shall first be offered to the employee so qualified who has the least number of overtime hours to their credit. If this employee declines or is otherwise unable to work overtime, the employee with the next fewest number of overtime hours to their credit shall be offered the assignment. The procedure shall be followed until the required number of employees have been selected for the overtime work. Overtime offered to an employee which the employee either declines to perform or is otherwise unavailable to work the assignment shall be counted as 1.25 overtime hours actually worked with a minimum of two (2) hours' credit, in computing overtime balancing. For the purposes of computing overtime credit, any new employee covered by this Agreement shall automatically be credited with such overtime pay hours as are equal to those credit overtime hours of the employee with the highest number of accumulated overtime credit.

For the purposes of providing a list of employees for overtime call-out duty, wishing to be called, and willing to work during weekends, evenings and holidays, Employees will utilize the overtime board by marking themselves "in" or "out", signifying their willingness to accept overtime assignments or right of the first refusal. Employees marked "out" will not receive non-mandatory calls for overtime, and will be credited overtime hours as outlined in the previous paragraph unless the employee is unavailable for the overtime call-out duty as a result of a duty-related injury or illness.

On the first Monday of December of each year all AFSCME Public Work employees, shall be set back to zero hours of overtime worked for the purposes of overtime distribution, and the subsequent initial offering shall be by employment seniority among those qualified employees covered by this Agreement. The list will be reset in order of seniority. Subsequently, as overtime is offered and charged, employees who have been charged the fewest hours of overtime will be moved to the top of the list. In the event that two or more employees have been charged with the same number of hours, they shall be listed in order of seniority with the most senior being placed at the top.

(c) A record of the overtime hours worked by each employee shall be posted on the department bulletin board weekly, if possible, but on at least a monthly basis. The City shall not be required to break in on work in progress or change as employee's shift in assigning overtime. It is recognized that conditions such as vacations, qualification to perform the overtime in question and other circumstances will cause imbalances to occur at any particular time, however, the City will attempt to equalize overtime to the extent practicable, and errors will

be corrected as soon as possible.

(d)The City shall be free during overtime hours, as during straight-time hours, to make efficient utilization of available manpower and to transfer employees as required to complete the work to be done; nothing herein shall derogate from this right, and this clause shall not be interpreted to create jurisdiction over particular work in particular job classifications.

Section 6.7.1 Overtime Distribution-Police Services Representatives and PSR Coordinator

So far as practicable and without reducing efficiency of work performance, opportunities to work voluntary overtime shall be distributed to Police Services Representatives and the PSR Coordinator as follows. The opportunity to work overtime shall be offered to Police Services Representatives and the PSR Coordinator in the same order as they are listed on the overtime distribution roster. The roster initially listed names of all Police Services Representatives and the PSR Coordinator in order of seniority from most senior to least senior. On the first day of each subsequent month, the top ranked employee's name moves to the bottom of the roster. New employees shall be placed at the bottom of the roster when they are released to solo duty. An employee's name shall be removed from the roster and shall be returned to the bottom of the roster upon receipt of an employee's written request for either.

Section 6.7.2 Short Term Building Closure Pay.

In the event that the City Administration closes the Urbana City Building for weather conditions or other emergencies of a duration of 48 hours or less, Police Services Representatives and Police Services Coordinators who are scheduled to work during the building closure will receive one and a half (1 ½) times their regular rate of pay for all hours worked.

Section 6.8 Voluntary Overtime.

There shall be no discrimination against any employee who declines to work overtime. If, however, all employees who normally perform and are qualified to do the work decline to work overtime or are unavailable (cannot be contacted), the City may assign overtime to any employee starting with the least senior of such employees.

Section 6.9 Compensatory Option.

(a) Subject to applicable Federal law, including federal rules and regulations, employees covered by this Agreement shall have the option of receiving overtime pay or compensatory time off. Compensatory time shall be accrued at the same rate as overtime pay and shall accumulate to a maximum of sixty (60) hours, provided that no employee may earn more than a total of one hundred and twenty (120) hours of compensatory time during any calendar year. Compensatory time off may be utilized in increments of one (1) hour or more, subject to approval by the appropriate Department Head or their designee in order to provide for the effective operation of the department.

(b) No more than one hundred and twenty (120) hours of compensatory time may be used in any calendar year. Compensatory time shall be considered "used" when it is cashed out or taken as time off. For purposes of this section, the calendar year shall be considered to be December 1 through November 30.

Section 6.10 No Pyramiding.

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

ARTICLE VII - SENIORITY

Section 7.1 Definition.

Seniority is an employee's length of continuous service since their last date of hire.

Section 7.2 Probationary Period.

Each employee shall be considered a probationary employee for their first twelve (12) months of continuous service, after which their seniority shall date back to their date of hire. There shall be no seniority among probationary employees, and they shall be laid off, discharged, or otherwise disciplined at the sole discretion of the City. However, after the first three (3) months of the probationary period, probationary employees shall be included in the bargaining unit and be entitled to file grievances with respect to matters listed in Section 5.1, excepting layoff, discipline, or discharge.

Section 7.3 Seniority Principle.

In all cases of promotions, demotions, layoffs when forces are being decreased, and recalls when working forces are increased, where employees are substantially equal in ability, which includes physical fitness, seniority shall be the determining factor.

Section 7.4 Promotions and Vacancies.

Prior to hiring a regular fulltime employee in an AFSCME bargaining unit position, the job will be posted through the City's email system and in locations designated by the City for a minimum of ten (10) days, exclusive of Saturdays, Sundays and holidays. During this period, any qualified AFSCME employee, who does not currently occupy the position being filled, shall be permitted to apply for the position. If a fully qualified candidate applies, they will be selected. In accordance with Civil Service, if more than one fully qualified candidate applies, the best qualified candidate will be selected. Any employee who accepts a new position in accordance with the provisions of this Section shall be provided an opportunity to demonstrate satisfactory performance. Section 13.12 remains applicable during this period. If, after being given written notice of a performance deficiency, an employee fails to demonstrate their ability to perform the work involved, the employee shall be returned to the vacant job classification which they vacated

within six (6) months of appointment without loss of seniority, providing that a job offer has not been accepted for that vacancy. If no opening exists in the former classification, the employee shall be placed on a preferential rehire/placement list for a period of two years and shall be given preference for selection for any position for which they apply and are qualified. Nothing herein shall prohibit discipline or discharge for misconduct or require the rehire or placement of an employee who engages in misconduct. Nothing contained in this Section shall prevent the City from temporarily filling a posted vacancy until it is determined whether there are applicants with the ability to perform satisfactorily the work involved, or from offering the posted vacancy to a qualified employee who did not apply for the job, and where no qualified employee has bid on the job, as provided above, or from hiring a new qualified employee for the vacancy if there are no fully qualified applicants during the period of posting or if none of the applicants has the ability to perform satisfactorily the work involved. Employees shall not be permitted to make more than one (1) successful bid in any two (2) year period. In addition, an employee who successfully bids a position shall have thirty (30) calendar days in which to return to the former position. Also, any employee may move to a lower or equal paying position at any time by mutual agreement between the employee and the Department Head.

Section 7.5 Consolidation or Elimination of Jobs.

(a) Non-probationary employees displaced by the elimination of jobs through jobs consolidation (combining the duties of two (2) or more jobs), the installation of new equipment or machinery, the curtailing or displacement of new equipment or machinery, the development of new facilities or for any other reason, shall be assigned to an opening or vacancy in an equal or lower-rated job classification in accordance with the seniority principle set forth in Section 7.3 of this Article. If no opening or vacancy exists, employees shall be placed on a preferential recall list.

(b) Before the City subcontracts work which is (and always has been) exclusively performed by employees in the bargaining unit or which would result in the layoff of any non-probationary employee, it shall notify the Union and, upon prompt written request, shall meet to discuss the matter. This Section shall not be construed as restricting the City's right to subcontract for assistance with snow removal or for the performance of any service or function as an emergency measure.

Section 7.6 Layoff and Recall Procedure.

In the event of a reduction in the working force of a job classification, employees shall be laid off in accordance with the seniority principle set forth in Section 7.3 of this Article. In the event of an increase in the working force in a job classification following a reduction, employees will be recalled in the reverse order of their removal or displacement as the need for additional employees presents itself, provided they are qualified to perform the work available.

Section 7.6A Effect of Layoff.

During the term of this Agreement, an employee who is on layoff with recall rights shall have the right to maintain insurance coverage provided by the City at the time of the layoff by paying, in advance, the full applicable monthly premium for their individual coverage. The City shall, however, continue to pay its share of insurance costs under Section 12.1 (Group Insurance) for the first thirty (30) days an employee is on layoff. Except as otherwise provided herein, the City shall have no obligation to make any payment whatsoever on behalf of an employee for insurance coverage while that employee is laid off.

Section 7.7 Temporary Transfer.

(a) For the efficient and economical operation of the City, the City may transfer any employee temporarily from any classification to any other job classification to fill a temporarily existing opening. The Department Head, with the concurrence of the Personnel Director, may select and make a temporary written appointment to that position. Any employee so temporarily appointed for more than ten (10) days shall receive, as minimum compensation for the entire term of that temporary appointment, a prorated annual salary equal to one-half (1/2) the total of both the annual salary for the employee's current position and the annual salary established for the temporarily appointed position. Such salary shall be increased to the established base salary for the position after the upgrade has lasted six (6) months.

(b) When there are five (5) days or more of a temporary vacancy in the position of Equipment Operator due to a scheduled vacation, or when there is approved leave due to a prolonged medical absence of five days or more, and when the operator vacancy results in a work crew operating without an operator when one is otherwise provided and when such remaining crew members are not combined with another crew with an operator, then the City shall appoint a qualified employee to fill a temporary vacancy at the rate of pay for the operator position.

Section 7.8 Non-Application of Seniority Rights Within Classifications.

Seniority does not give employees any preference for particular types of work within their job classifications or to places of work, machines, or equipment.

Section 7.9 Termination of Seniority.

Seniority and the employment relationship shall be terminated when an employee:

- (a) quits; or
- (b) is discharged; or
- (c) is absent for three (3) consecutive days without notifying the City; or
- (d) is laid off and fails to report for work within three (3) days after having been recalled; however, in the event the employee appears

before the expiration of three (3) days, the City may grant an extension of time to report if the employee has a justifiable reason for delay, provided such extension shall not arbitrarily be denied; or

- (e) does not report for work within forty-eight (48) hours after the termination of an authorized leave of absence. Service broken under this Section shall be reestablished if the employee can show that extraordinary circumstances prevented their timely return; or
- (f) retires or is retired.

Section 7.10 Seniority List.

Once each six (6) months, the City will furnish the Union with an up-to-date seniority list. The Union shall be given, or the City shall otherwise post, the name of each bargaining unit employee hired or terminated within five (5) business days of the action in question.

Section 7.11 Police Services Representative Scheduling.

Police Services Representatives in the Police Department that normally cover the front office desk shall be assigned to shifts and days off based upon their employment seniority, as defined by this Article, in accordance with the following procedure:

- a) The City shall post a shift/days off sign-up list twice a year, one list to be posted during April to be effective June 1, and one list to be posted during October, to be effective December 1.
- b) The shift sign-up list shall be for those bargaining unit positions that normally work the front office desk.
- c) The Criminal Investigation Section Police Services Representative shall be considered an assigned position and shall not be subject to this seniority sign-up provision.
- d) The shift sign-up shall be in order of seniority, as defined by this Article.
- e) The shift sign-up shall include only those employees that have satisfactorily completed their probationary period.

The City retains the right to temporarily assign the least senior employee on each shift if operating conditions, as determined by the City, so warrant. If the City exercises its right to temporarily assign such an employee, the employee shall be paid at their straight time hourly rate, unless eligible for overtime pay pursuant to Section 6.6 of this Agreement.

ARTICLE VIII - WAGES AND BENEFITS

Section 8.1 Salaries.

Salaries for the period July 1, 2021, through June 30, 2024 shall be

paid according to Appendix B attached hereto and made a part of this Agreement.

Longevity pay shall be paid according to Appendix C attached hereto and made a part of this Agreement.

Section 8.3 Bonuses.

Effective July 1, 1993, the City shall award bonuses to individual bargaining unit members in accordance with the terms of the Agreement on Productivity Incentive Plan, identified as Appendix E attached hereto and made a part of this Agreement.

Section 8.4 Training Pay.

All Police Services Representatives who are required to train another employee shall have their straight base hourly rate of pay increased by an additional \$3.00/hour for all hours actually worked training another employee.

ARTICLE IX - HOLIDAYS

Section 9.1 Holidays.

The following are paid holidays for eligible employees:

- New Year's Day
- Martin Luther King Day
- Spring Day
- Memorial Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Eve
- Christmas Day

The City shall determine the actual day on which paid holidays are to be celebrated.

Section 9.2 Holiday Pay.

Except as provided below, for each such holiday, when not worked, an eligible employee shall receive eight (8) hours' pay at their regular straight-time hourly rate (except for those Police Service Representatives who regularly work 10-hour shifts, who shall receive ten (10) hours' pay at regular straight-time hourly rate). For each hour worked on a holiday, except as provided below, an

employee shall receive one and one-half (1 1/2) times their regular straight-time hourly rate of pay (plus the holiday pay for which they may otherwise be eligible).

Section 9.3 Eligibility Requirements.

(a) In order to be eligible for holiday pay, the employee must work the full scheduled working day immediately preceding and immediately following the holiday, unless the employee is excused by their supervisor from compliance with this requirement. Excuses shall be granted for the failure to work either the day before and/or the day after due to jury duty, death in the immediate family, hospitalization of the employee or illness of the employee, which is substantiated by a physician's statement. Reasonable tardiness up to one (1) hour shall not affect holiday pay under this Section.

(b) An employee whose shift extends from one (1) calendar day into another (for example, from Monday into Tuesday or from the day before a holiday into the holiday) shall be considered as working on the calendar day on which they started to work.

Section 9.4 Holiday During Vacation.

When a holiday falls within an eligible employee's approved vacation, they shall receive an additional day of vacation.

ARTICLE X - VACATIONS

Section 10.1 Paid Vacations.

(a) Employees covered by this Agreement whose normal workday shall consist of eight (8) consecutive hours of work which may be interrupted by a lunch period, and whose normal workweek shall consist of forty (40) hours per week, and who have been employed by the City for a period of at least one (1) year shall receive paid vacations during each year, calculated as follows:

Years of Continuous Service	Amount of Vacation Pay	Length of Vacation
1 year through 5	96 hours' pay	12 workdays
6 years through 9 years	120 hours' pay	15 workdays
10 years through 15 years	160 hours' pay	20 workdays
16 years and more	200 hours' pay	25 workdays

(b) Employees who are included in (a) above who have been

employed by the City for less than one (1) year shall accrue one (1) day paid vacation for each month of employment to a maximum of ten (10) days.

Section 10.2 Eligibility Requirements.

(a) In order to be eligible for vacation pay, an employee must have worked a minimum of 1,080 hours during the twelve (12) calendar months preceding their anniversary date of employment. For purposes of vacation eligibility, absence from work due to a bona fide job-related injury, or time charged as vacation time or legitimate paid sick leave (i.e., legitimate incapacitation or illness of the employee for which sick leave is paid) shall be included in determining eligibility requirements.

(b) Employees with more than one year's seniority, who fail to meet the 1,080 hour minimum due to legitimate illness which exceeds their accumulated sick leave or an approved unpaid leave of absence shall receive pro rata vacation pay.

(c) For employees with less than one (1) year of seniority, vacation shall accumulate at the rate of eight (8) hours per month to a maximum of eighty (80) hours. Employees with less than one (1) year of seniority shall be entitled to take vacation as accrued.

Section 10.3 Vacation Scheduling.

Vacations shall be scheduled insofar as practicable at times most desired by each employee with consideration being given to the wishes of the employee in accordance with their relative length of continuous service. If the orderly performance of the services provided by the City makes it necessary to limit the number of employees from taking vacation at a particular time, the employee with the greater seniority shall be given their choice of vacation period.

(a) In order to ensure the orderly scheduling of work in the Public Works Department, all vacation requests of five (5) days or more must be submitted to an employee's division head at least thirty (30) days in advance of the requested date. All requests must be made on an "Employee Leave Request" form.

In accordance with Section 10.3 (above), when the City finds it necessary to limit the number of employees taking vacation at one time, the City may:

1) limit the number of crew members that may be on leave at any one time;

2) limit the number of individuals per job classification within a particular division to be on leave at any one time.

3) any combination of the above limitations.

(b) Employees in the Public Works Department who request vacations in increments of five (5) days or more and do not do such at least thirty (30) days in advance of the requested date shall be scheduled on the basis of the operating needs of the appropriate division.

(c) Once an employee's vacation request has been granted, it shall not be revoked by the City other than in an emergency.

(d) Employees in Parking Enforcement shall follow the same vacation schedule listed above in Section 10.3, unless the Union and division head both agree to modifications.

Police Services Representatives (including PSR Coordinator) vacation scheduling shall be done in accordance with Police Department policy. If vacation time is taken surrounding a holiday, only the day AFTER may be canceled without affecting Mandatory Times. If a PSR cancels vacation time BEFORE the holiday in question, the mandatory list may need to be adjusted. Using vacation time and then canceling that time MAY NOT be used as a way to avoid a mandatory situation for a holiday.

Section 10.4 Vacation Accumulation.

Normally, vacation shall be taken during the year allowed which is the twelve (12) months following the employee's anniversary date. Upon an employee's anniversary, all but 40 hours of unused vacation time will be automatically dropped from the payroll records. A request for carry-over in excess of 40 hours may be granted if:

1) It is determined by the Department Head that, due to the limitations set forth in Section 10.3, an employee cannot be allowed their vacation time within the twelve (12) month period; or,

2) A written request has been submitted to the Department Head at least thirty (30) days before the end of the year in which the vacation is to be taken, citing circumstances and a desire by the employee to accumulate vacation time. Such request will be granted, if at all possible; however, the final determination is exclusively reserved for the Department Head.

3) Accumulated vacation shall be taken within the first six (6) months following the year in which it was originally allowed. If the vacation was held over in accordance with Paragraph 2 of this Section, remuneration will be paid at the rate which the employee would have been paid, had the employee taken their vacation during the year in which it would originally have been allowed.

ARTICLE XI - LEAVES OF ABSENCE

Section 11.1 General Leave.

(a) Employees covered by this Agreement may request in writing a leave of absence from their Department Head, who may grant a leave of absence to an employee who has been in the bargaining unit for not less than three (3) months, for such a period as they see fit, not to exceed one (1) year, except if it is to enable an employee to accept an appointive position with the City of Urbana, in which case the leaves of absence may be indefinite. Leaves of absence shall not be granted to employees to accept remunerative employment elsewhere.

(b) As a condition to such leave being granted, the employee may be required to waive all rights to immediate reinstatement in their position upon termination of the leave to retain only the right to be appointed to the first vacancy for the position in which they have been employed.

Section 11.2 Sick Leave.

Employees covered by this Agreement whose normal workday shall consist of eight (8) consecutive hours of work, which may be interrupted by a lunch period, and whose normal workweek shall consist of forty (40) hours per week, shall be credited with 69 hours sick leave on their starting anniversary date. After completion of one (1) calendar year of full-time employment, an employee shall accumulate eight (8) hours of sick leave per month. Sick leave may be accumulated with no maximum. The City reserves the right to require medical certification as a condition of sick leave approval and to investigate the legitimacy of any use of sick leave. However, when sick leave is used for an employee's personal medical condition, such certification shall only be required if there is a pattern of abuse or the City suspects abuse.

Sick leave shall not be charged for any absence due to job-related injuries. Pregnancy, miscarriages, abortion, childbirth, and recovery therefrom, will be considered by the City as "temporary disabilities" for the period in which an employee cannot or should not on medical advice perform their job. Sick leave benefits as are herein provided may be applied to any such period of "temporary disability". Except as otherwise provided herein, accumulated sick leave may be charged for non-duty illness and off-the-job incurred injury and disability.

The City may require an employee to undertake a physical examination by a reputable physician at the City's expense to determine whether they are fit to return or continue work. If

the reputable physician determines that the employee cannot perform the work required, the employee may not continue or resume work but must, if eligible, take sick leave. If the reputable physician certifies the employee is able to perform the duties of their employment, said certificate shall constitute termination of any leave of absence for sickness.

Sick leave is designed to protect an employee during their own illness or injury. However, the City shall permit the following limited use of sick leave to care for a family member, subject to the provisions of section 11.2. Within this section, a family member refers to a spouse, declared domestic partner, son, daughter, or parent (terms defined by the City's FML policy). Sick leave shall be requested a reasonable period in advance of its use or as soon as the employee is aware of the need. Sick leave shall be limited to the period of time that the employee's care is required. Up to a total of 40 hours of sick leave may be approved by a supervisor in a calendar year in order for an employee to care for family members who require the employee's care due to a serious illness or injury. In addition, if an employee has a balance of 240 or more hours of unused sick leave (at the time sick leave use is requested), the Department Head will permit the employee to use up to 40 additional hours of sick leave in a calendar year to attend to a hospitalized family member or to provide required care to a family member suffering from a serious health condition (City FML definition) who is unable to care for their own basic medical or personal needs (bathing, feeding, etc.) or safety. Employees with less than 240 hours of sick leave may use 8 hours of sick leave for each 8 hours of vacation or compensatory leave used under these circumstances, up to a maximum of 40 additional hours of sick leave per year. No additional use of sick leave to care for a family member shall be authorized without approval of the Department Head and the Personnel Manager.

Any employee covered by this Agreement who separates in good standing and who, has completed the following years of service shall receive payment for accumulated sick leave in an amount indicated here: Completion of ten (10) years of service with the City - ten percent (10%) of the accrual; completion of fifteen (15) years of service - fifteen percent (15%) of the accrual; Completion of twenty (20) years of service with the City - twenty-five percent (25%) of the accrual; Completion of twenty-five (25) years of service with the City - thirty percent (30%) of the accrual; Completion of thirty (30) years of service - forty (40%) percent of the accrual; or Completion of thirty-five (35) years of service - fifty (50%) percent of the accrual. An employee who has been retired as a result of a disability, shall, upon retirement or resignation from the City, receive payment for accumulated sick leave in an amount equal to twenty-five percent (25%) of the accrual, such payment to be made on

the basis of the employee's hourly rate of pay at the time of such honorable separation.

Eligible employees shall earn bonus vacation time at the rate of two (2) hours per quarter year for each quarter that the employee does not use any sick time. The quarters shall be December through February; March through May; June through August, and September through November. The bonus vacation shall be awarded at the beginning of each December to each employee who has maintained a minimum balance of 69 hours of unused sick leave throughout the year that ended November 30. An employee who receives a bonus for all four quarters will receive an extra bonus of eight (8) hours of vacation for a total award of (16) sixteen hours of vacation. In addition, each employee with a minimum sick leave balance of 400 hours as of November 30 may convert, at a 50% rate, up to thirty-two (32) hours of sick leave to up to sixteen (16) hours of vacation. The employee shall submit a written request for conversion to the Department Head no later than December 15. All employees who are absent as a result of this leave will be eligible for emergency call-back.

Section 11.3 Bereavement Leave.

When a death occurs in an employee's immediate family (i.e., employee's or spouse's mother, father, brother, sister, child, grandparents or spouse of employee) an employee covered by this Agreement, upon request, will be excused with pay for up to three (3) days for the purpose of attending the funeral, making necessary arrangements, and bereavement time. An employee may be excused with pay for up to two (2) additional days in the case of a funeral that involves unusual travel difficulties. Such additional leave will not be unreasonably denied, following receipt of a written request setting forth the nature of the difficulty. At the sole discretion of the City, leave for the purpose of attending the funeral of persons other than those set forth above may be granted.

Section 11.4 Jury Leave.

Any regular, full-time employee who is called for jury service shall be excused from work for the days on which they serve and they shall receive for each day of jury service on which they otherwise would have worked, the difference between the normal daily rate of pay they would be entitled to during such period and the payment they received for jury service. The eligible employee will present proof of service and of the amount of pay received therefore.

Section 11.5 Military Leave.

(a) Any employee who is recalled, enlists, or who is inducted into the Armed Forces of the United States shall be

granted a leave of absence without pay for the term of their training and service and shall be entitled to reemployment rights under applicable law, provided such employee shall make application for reemployment within the period prescribed by law after being relieved from such training and service.

(b) Any employee who is required as part of their military obligation to attend two (2) weeks of annual training shall be excused from work for the days on which they serve and they shall receive, for each day of annual training service on which they otherwise would have worked, the difference between the normal daily rate of pay they would be entitled to during such period and the payment they received for annual training service. The eligible employee will present proof of services and the amount of pay received therefor.

Section 11.6 Miscellaneous Leave.

(a) Civic Leave. Employees required to appear before a court or other public body on any matter not related to their work in which they are not personally involved (as a plaintiff or defendant) and employee selected or appointed to any political or legislative position who request a leave of absence to perform their civic duty shall be granted a leave of absence without pay for the period to fulfill their civic responsibilities.

(b) Educational Leave.

(1) Employees may be granted, upon request, a leave of absence not to exceed one (1) year, for educational purposes, without pay. Thereafter, such educational leave may be renewed, in writing, by the City.

As a condition to such leave being granted, the employee may be required to waive all rights to immediate reinstatement in their position upon termination of the leave and retain only the right to be appointed in the first vacancy in the position in which they have been employed.

(2) Any employee who has completed their probationary period may apply for leave to take one (1) course during their regular workweek to improve or upgrade the individual's job-related skill or ability. Such course must be approved by the employee's Department Head and the Personnel Director, who may approve same only if the completion of such course can be reasonably expected to help the employee in the performance of their job. Such approval is to be made on an individual basis before the employee can begin the course. A course shall be interpreted as three (3) semester hours (or the quarterly hour

equivalent) of a specific subject. Any such leave shall automatically expire with the end of the term of the particular course.

(3) In addition to the leave as provide in part (2) above, the City will provide funds to reimburse the employee for one-half (1/2) the cost of tuition and books directly related to the course, provided that the employee successfully completed such approved course. In theevent an employee takes an approved course during other than regular working hours, the employee will still be eligible for reimbursement asdetermined above, provided prior approval has been received in accordance with the provisions of part (2) above.

(c) Union Leave. Leaves of absence without pay may be granted to the extent that there is no interference with the City operations, to employees who are selected, delegated, or appointed to attend conventions or educational conferences with the Union, for a maximum ofone hundred thirty-six (136) hours for the bargaining unit per fiscal year. Any request for such leave shall be submitted by the Union to theemployee's immediate supervisor and shall be answered in writing no later than ten (10) working days following the request.

Section 11.7 Return from Leave in Excess of One Year.

Unless otherwise specifically provided for in this Agreement, an employee returning from a leave of absence in excess of one (1) year shall, to the extent possible, be permitted to return to the position they occupied when they began their leave. The City shall not, however, be required to displace any employee, but in the event their position has been filled, they shall be placed on a preferential hiring list.

Section 11.8 Effect of Leave on Seniority.

An approved leave shall not be considered a break in continuous service;provided, however, that seniority shall continue to accrue only during

(a) paid leaves, and (b) unpaid leaves of less than two (2) weeks'duration (except legitimate unpaid sick leave).

Section 11.9 Exhaustion of Sick Leave.

Employees who are eligible for sick leave as provided in Section 11.2 ofthe Agreement, but who have exhausted all of their accumulated sick leave, shall be granted an unpaid sick leave for the duration of their illness or injury. Any such unpaid sick leave must be requested in writing by the employee at the time sick leave is exhausted. The employee may be required to waive any right to immediate reinstatement. During such unpaid sick leave, the City may also order a physical examination as provided in Section 11.2(b) above. Prorated uniform allowances shall be paid on the first pay period following the employee's date of hire.

Section 13.3 Rules and Regulations.

Prior to implementation of any proposed changes and/or additions of rules and regulations, the City agrees to notify the Union of the change and, upon request, shall meet for discussion of the same. The City agrees that an allegation of arbitrary, capricious, or discriminatory application of its rules and regulations shall be subject to the grievance procedure. The City shall not discipline or discharge any employee without just cause.

Section 13.4 Bulletin Boards.

The City agrees to furnish and maintain suitable bulletin boards in convenient places in work areas to be used by the Union for official Union business. A copy of all posted material shall be provided to the Personnel Director and signed by the appropriate Union officer. Any such material, the copies of which have not been so provided to the Personnel Director, may be removed by the City at its discretion.

Section 13.5 Call-Back Pay.

An employee called back to work after having gone home shall receive a minimum of two (2) hours of work at their straight-time hourly rate (subject to Section 6.6) unless the time extends into

their regular shift. An employee called back to work under this Section shall be compensated from the time they clock in their regularly assigned work location. In the event that an employee is instructed by management to report directly to an alternative work location due to an exigent circumstance, the employee shall be compensated from the time they arrive at the alternative work location.

Section 13.6 Stand-By Pay.

Effective upon ratification of this Agreement, whenever any employee is assigned to stand-by duty, the City shall pay any such employee so assigned to stand-by duty the sum of two-hundred dollars (\$200) for each full one (1) week period of such assigned stand-by duty. For the purpose of this Section, stand-by duty is defined as the ability of the City to contact an employee either by phone or otherwise, for the purpose of immediately responding to and performing any required task. When the employee is contacted by the City to perform work under this Section, the employee shall be compensated from the time that the employee acknowledges receipt of the assignment.

Employees are eligible for stand-by duty upon completion of a probationary period of one (1) year of service. Electricians and Traffic Signal Technicians are eligible after 3 months of service.

Section 13.7 Break Time.

There shall be provided to employees covered by this Agreement two (2) fifteen (15) minute breaks for each full eight (8) hour shift of scheduled work, the terms and conditions of which said breaks shall be governed and controlled by such rules and regulations as may, from time to time, be duly promulgated by the City.

Section 13.8 Control of Absenteeism or Sick Leave Abuse.

It is understood that unreasonable absenteeism, or the abuse of sick leave constitutes just cause for discipline and it is the intent of the City to take corrective action. If any employee is disciplined for unreasonable absenteeism or the abuse of sick leave, the discipline shall not be set aside unless it is arbitrary, capricious, or discriminatory. Nothing contained in this Agreement shall be construed as prohibiting the City from taking any reasonable measure to control unreasonable absenteeism or the abuse of sick leave.

Section 13.9 Job Descriptions.

The City shall maintain job descriptions describing the duties of

each classification. Upon request, an employee shall be furnished a copy of their job description; the Union shall also be furnished a copy of any job description upon request. In the event the City changes a description, a copy of the new description shall be provided to the Union and, upon written request, the City shall meet with the Union to discuss any changes.

Section 13.10 Personnel Files.

(1) Personnel Files.

The City shall keep a central personnel file for each employee. Supervisors may keep working files, but material not maintained in the central personnel file may not provide the basis for discipline against an employee.

(2) Inspection. Upon appropriate request, an employee may inspect their central personnel file subject to the following:

(a) Inspection shall occur during non-working hours, including lunch and break periods, at a time and in a manner mutually acceptable to the employee and the City. Upon request, an employee who has a written grievance on file who is inspecting their personnel file with respect to such grievance may have a representative of the Union present during such inspection.

(b) Copies of materials in an employee's personnel file shall be provided to the employee upon request if such materials are to be used in conjunction with the processing of a grievance filed by the employee. The employee shall bear the cost of duplication.

(c) Pre-employment information; e.g., reference checks and responses, or information provided to the City with the specific request that it remain confidential, shall not be subject to inspection or copying.

a) Upon ratification of this agreement, in the event of damage or destruction of eyeglasses frames and/or lenses, the City will pay up to a maximum of three hundred and twenty-five

dollars (\$325) for replacement or repair of such eyeglasses frames and/or lenses. On July 1, 2015, the above amount shall increase to three hundred and fifty dollars (\$350).

b) If false teeth are damaged or destroyed the City will pay the full value of their replacement or repair.

Section 13.12 Discipline.

The City agrees with the tenets of progressive and corrective discipline, where appropriate, and that it shall not discipline or discharge any employee without just cause. No employee shall be demoted for disciplinary reasons, but only for inability to perform the work required by their position and classification. Discipline shall be imposed as soon as possible after the City becomes aware of the event or action giving rise to the discipline and has a reasonable period to investigate and consider the matter.

Discipline shall be imposed in a manner which will avoid embarrassing an employee before other employees or the public.

Oral reprimands may be noted in an employee's personnel file provided the employee is notified to that effect. In the event of disciplinary action, other than an oral reprimand, is taken against an employee, the employee and the Union shall be provided with a copy of any statement of the facts and reasons supporting the disciplinary action which is to be placed in the employee's personnel file. In the event suspension or discharge of a non-probationary employee is contemplated, in addition to all other requirements of this section, a pre-disciplinary meeting shall be held with the employee and, if requested by the employee, an appropriate representative of the Union, at which time the opportunity shall be granted to the employee and/or the Union representative to clarify and/or rebut the reasons given for the contemplated suspension or discharge before the City makes a final determination of the measure of discipline to be imposed. In any event, a Union representative may attend as an observer in such meetings. Once the measure of discipline is determined and imposed, the City shall not increase it for the particular act of misconduct unless new facts or circumstances subsequently become known.

Section 13.13 Union Rights.

(a) Union Activity During Working Hours. Employees shall, after giving reasonable notice to their supervisors, be allowed reasonable time off with pay during working hours to attend grievance meetings or other meetings called or agreed to by the City, if such employees are entitled or required to attend such meetings by virtue of being union representatives or grievants and if such attendance will not unreasonably or substantially disrupt or interfere with the City's operations.

(b) Union Orientations for New Hires - The Union shall conduct union orientation for each new bargaining unit employee [and bargaining unit employees transferring to a new department] during the employee's first or second day of employment in the bargaining unit [or new department] (unless the Union chooses another date) at a time mutually agreeable to the parties. Alternatively, the Union may choose to conduct less frequent group orientations, including orientations conducted in conjunction with new employee orientations conducted by the Employer. The Union orientation period shall be one (1) hour and shall take place during employees' regular working hours with no loss of pay to the employees involved.

(c) Employee Development and Training - The Employer and the Union are committed to ensuring that employees receive training that will help to maximize the productivity and quality of their work. To facilitate this goal, the Parties agree that providing annual training to employees is important and that Departments and the Union should, therefor, endeavor to provide such annual training. Annual training provided by the Union, including updating employees on new agreements and policies, and on the coordination of these policies and agreements with policies and procedures set forth in the collective bargaining agreement, can help to facilitate the maximization of both quality and productivity. The Union may schedule up to one hour per year of such training. Where a Department has scheduled such training, the union training may, by mutual agreement, be scheduled in conjunction with such sessions. Training provided for herein shall be without loss of pay.

(d) Access to Premises. The City agrees that non-employee officers and representatives of the Union shall have reasonable access to the premises of the City during working hours with advance notice to the appropriate City representative. Such visitations shall be for the reasons of the administration of this Agreement. The Union agrees that such activities shall not interfere with the normal work duties of employees. The City reserves the right to designate a meeting place and/or to provide a representative to accompany such officer or representative where operational requirements do not permit unlimited access.

Section 13.14 Labor-Management Committees.

For the purposes of monitoring communications between labor and management and in order to cooperatively discuss and solve problems of mutual concern, there may be established departmental Labor-Management Committees. These committees shall each be composed of a maximum membership of three (3) representatives each for both the Union and the City with these representatives to be selected and designated by the Union and the respective Department Heads.

The above Labor-Management Committee shall be scheduled at a time, place and date mutually agreed upon by the Union and the City. Such meetings shall be held during the regular workweek and employees shall not be docked for attendance.

Section 13.15 Precedence of Agreement.

In the event of a conflict between a provision of this Agreement and any regulation, ordinance or rule of the City or any of its boards or commissions (insofar as said regulation, ordinance or rule affects employees covered by this Agreement), the provisions of this Agreement shall control. The City shall take any legal action necessary to accomplish the foregoing.

Section 13.16 Drivers License.

1) Employees who operate City-owned vehicles shall maintain a valid driver's license or, if required, commercial driver's license.

2) The City will schedule the use of City vehicles to allow employees to practice for the examination to acquire a State of Illinois CDL, with air brake endorsement.

3) The City will provide training to assist employees in obtaining a State of Illinois CDL, with air brake endorsement.

4) The City will pay the difference between the State fee to renew a regular driver's license and the State fee to renew a City required Commercial Driver's License with required endorsements.

5) Employees who are required to maintain a valid driver's license / CDL whose driver's license / CDL is suspended or revoked, and not reinstated within fifteen (15) months, shall be terminated.

Section 13.17 Legislative Action.

During the term of this Agreement, if the Illinois General Assembly enacts new legislation benefiting employees covered by this Agreement and the effects of such new legislation is to increase cost to the City beyond those which exist at the time this Agreement is executed, the Union agrees to meet with the City to negotiate the distribution of such increased cost between the City and employees. However, legislated changes in pensions, disability and workers' compensation shall not be subject to negotiations.

ARTICLE XIV - CONFORMANCE WITH LAW

Section 14.1 Conformance With Law.

In the event any provision of this Agreement is found by a court

or administrative body with jurisdiction over the parties and subject matter to be in conflict with a state or federal statute, such law shall supersede the conflicting provisions without affecting the remainder of the provisions of this Agreement.

ARTICLE XV - FAMILY LEAVE

Section 15.1 Family and Medical Leave.

The City shall adopt and maintain a Family and Medical Leave Policy that complies with the requirements of the Family and Medical Leave Act of 1993 as now or hereafter amended.

Prior to altering the existing policy, the City agrees to provide the Union with thirty (30) days advance notice of any change. Upon request from the Union, the City agrees to meet and discuss the proposed changes with the Union in an effort to work out any areas of disagreement prior to implementation. This Section shall not be construed to limit the ability of the City to make changes to the policy without agreement by the union, so long as the policy meets the requirements of the Act.

ARTICLE XVI - ENTIRE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Memorandum of Understanding (Compensation during absence due to job-related injury or illness)

MEMORANDUM OF UNDERSTANDING
BETWEEN
CITY OF URBANA AND AFSCME LOCAL 1331

Re: Compensation during absence due to job-related injury or illness

In the event of a duty-related injury or illness which results in an employee being unable to work, the City will maintain regular gross compensation (based on a 40-hour work week) for the first ten (10) work days following the accident or injury. If after this period the employee remains on a job-related disability leave, the City will maintain the regular net pay (based on a 40-hour work week) after taxes, SSI, and required pension contributions, for nine (9) months by supplementing the amount received from the City's insurance carrier. Net pay includes any deduction for savings or other authorized deductions, which shall continue unless employee revokes authorization. The City may revoke this supplement, as well as take any other steps available to it, only if there is medically approved alternate work available, workers' compensation benefits are denied, the employee is earning income through secondary employment, or the City has reason to believe the employee is able to return to work as determined by the state laws governing workers' compensation.

Following the nine (9) months, if the employee still has not recovered, he or she will be directly compensated by the insurance company holding the City's workers' compensation policy and City payments will cease.

City payments of employee health and life insurance premiums will be maintained for the year, if applicable. Sick leave shall accrue as long as an employee is receiving workers' compensation for the same injury or illness. Employees will maintain their vacation balance while on leave, but will not earn or carry over any additional vacation credit beyond what is assigned on their anniversary date. Assignment of vacation leave on the employee's anniversary date shall continue unaffected.

The intent of this agreement is to help the employee by providing more than the law requires, and to protect the City by providing flexibility to respond to situations where such practice may be a dis-incentive to return to work. The agreement may be renegotiated without precedent when the contract is open, if in the opinion of the Chief Administrative Officer it is becoming such a dis-incentive. This does not preclude the union from also renegotiating this agreement when the contract has expired. This agreement shall be made a part of the next collective bargaining agreement between the parties.

Memorandum of Understanding (Supplemental procedure for handling overtime distribution for Public Works bargaining unit employees)

LETTER OF AGREEMENT
BETWEEN
CITY OF URBANA AND AFSCME LOCAL 1331

Supplemental procedure for handling overtime distribution for Public Works bargaining unit employees:

Recognizing that errors may occasionally occur which would create an imbalance in overtime distribution, the following steps shall be taken when an employee is inadvertently passed over for an overtime opportunity.

1. The passed over employee will remain at the top of the call back list, thereby being afforded the next overtime opportunities until the error is corrected.
2. **APPENDIX "E" AGREEMENT ON PRODUCTIVITY INCENTIVE
PLAN**

It is the intent of the City to recognize the significant cost-saving ideas of the employees. A cost-saving idea is when someone:

1. achieves results that provide greater revenue for the City,
2. implements a new system or procedure that enhances productivity or improves the quality of the service provided, or
3. performs a task outside one's duties and responsibilities that results in less cost to the City than if it were contracted out or performed by someone else.

Recognition for a significant cost-saving idea would be made by the Division Manager with approval of the Department Head. Paid time off would be the reward for a significant cost saving idea.

APPENDIX "F" [RESERVED]

APPENDIX "G" – INSURANCE COMMITTEE AGREEMENT

Joint Labor / Management Insured Benefit Committee Agreement

I. Introduction

The parties to this Agreement have agreed to participate in negotiations as members of the Joint Labor / Management Insurance Committee (the "Committee") for the purposes of negotiating the plan provisions and funding of the City's medical, dental, and vision insurance plans ("insured benefits"). The parties understand and agree that Committee participation represents the most effective means to develop and implement cost containment approaches for the management of the City's insured benefits, while providing quality benefits to employees and their covered dependents.

The City and each signatory Union agree to the format for funding and negotiating plan provisions to meet the budgetary constraints imposed by anticipated costs associated with providing insured benefits to both represented and unrepresented, benefits-eligible City employees. The Committee, comprised of the City's employees represented by an exclusive representative, the City's unrepresented employees, and the City's administrative staff, agrees to develop, maintain, and make periodic changes to the City's insured benefit plan(s) in a collaborative fashion as outlined under this Agreement.

Having bargained in good faith, the signatory parties agree as follows:

II. General Terms

A. *Scope of Agreement:* This Agreement shall apply to all unrepresented City employees and all employees whose exclusive bargaining representative is a signatory to this Agreement. B.

Insured Benefits Upon Adoption of Agreement:

1. Each of the Parties agrees to the terms and conditions of the insured benefits outlined in Exhibit 1, attached hereto. Exhibit 1 reflects all current insured benefits. This agreement supersedes any conflicting provisions of any collective bargaining agreement between any of the signatory unions and the City.
2. The insured benefits set forth in Exhibit 1 will continue unless and until the Committee modifies the insured benefit plan(s) under the procedures in this Agreement. Notwithstanding the terms of this Agreement, any provision of any insured benefit plan that is prohibited, subject to mandatory modification, or otherwise subject to revision as a matter of law, all necessary revisions to the insured benefit plans shall be made as required by applicable law.
3. The provisions of the insured benefits outlined in Exhibit 1 may be modified upon a two thirds (2/3) vote of the total number of members of the Committee and approval by the City and, if necessary (*i.e.*, budget and/or contract approval), by the City Council. Each party shall have the right to

discuss all proposed changes with its respective constituent members and seek their input prior to any final vote.

C. *Scope of Each Signatory Party's Authority:* Each party has the full authority of its governing board, membership, local union, international union, and or whatever group or subgroup within its structure that would have the ultimate authority to enter into this Agreement. Each of the signatory parties represents and warrants to each other as an inducement to enter into this Agreement that it has such authority and that it intends to and does bind itself and each of its members to the terms of the Agreement.

1. For the term of this Agreement, this Committee shall be the exclusive forum for dealing with non-work related health care issues arising under or relating to the insured benefit plans including, but not limited to:

- i. Health plan design and benefit levels;
- ii. Deductibles;
- iii. Co-pays and out-of-pocket costs;
- iv. Premium levels;
- v. Premium sharing;
- vi. Participant eligibility and general coverage.

2. Until dissolved, this Committee shall serve as the sole and exclusive venue for the City and each signatory union to collectively bargain insured employee medical benefits. Any disputes regarding the benefit programs negotiated through this Committee shall be subject to the dispute resolution process provided for herein.

D. *Scope of Committee's Authority:* The Committee, at least sixty (60) days in advance of the annual insured benefits enrollment deadline, shall:

1. Investigate, analyze, develop, and thereafter, make a formal recommendation to the City regarding the procurement and administration of fiscally responsible insured benefit plan(s);
2. Facilitate the development of educational programs and participant communication regarding the City's insured benefit plans and any changes applied upon annual renewal; and

The parties agree that a strong program to promote wellness of insured benefit plan participants is important to both improve quality of life for plan participants and control the cost of providing insured benefits. The

Committee agrees any recommendation will include a pro-active wellness program.

- E. *Compliance with State, Federal, and Local Law.* It is agreed and understood that the City, being a unit of local government, that this Agreement and all actions, procedures, and processes under this Agreement are subject to all of the statutes and ordinances governing the conduct of units of local government including, but not limited to, requirements for bidding and contracting for the provision of goods and the rendition of services, compliance with equal employment opportunity and affirmative action requirements applicable to the City or any other party.

Committee members shall not be absent from more than two (2) scheduled meetings per calendar year, excluding emergencies. The City shall schedule such meetings during business hours and will pay overtime to others, if necessary, so that the regular members of the Committee can attend the scheduled meeting.

If the City declines to adopt the Committee's recommendation, the City shall provide the Committee with a specific list of reasons why the plan or plans recommended by the Committee were not acceptable. Thereafter, the Committee shall meet to address the issues underlying the decision to decline to adopt the Committee's recommendation.
 2. In the event that, after reasonable effort, the Committee is unable to reach agreement on recommended insured benefit plan(s), the Committee may be dissolved upon a majority of regular voting Committee members providing written notice of intent to withdraw from participation to the Committee's chairs.
 - i. If a less than a majority of Committee members seek to dissolve the Committee, the Committee shall continue to function in accordance with this Agreement.

Disputes relating to the operation of any insured benefit plan, any individual claims under an insured benefit plan, or any other disputes arising under any insured benefit plan shall continue to be resolved under the dispute resolution mechanisms provided under the terms of the plan(s) at issue. For the purpose of this Section the parties will be one (1) representative of the signatory Unions and a representative of the City.

1. To select an arbitrator, the parties to the dispute shall jointly request a statewide panel list of seven (7) arbitrators from the Federal Mediation and Conciliation Service. In addition, each party shall receive the right to strike one entire list. Within thirty (30) days of receiving the panel list, the parties to the dispute shall use an alternating strike process until only one arbitrator's name remains. A coin toss shall be used to determine which party shall strike from the list first. The parties will then jointly notify the arbitrator regarding his or her selection. A hearing will be scheduled for a date, time, and location mutually agreeable to the parties.

- L. *Termination and Renewal:* This Agreement shall remain in full force and effect for a period of three (3) years of the date of execution. This Agreement shall remain in effect from year to year after the expiration date unless one or more of the parties serves written notice of their wish to modify or terminate this Agreement on each other party not more than sixty (60) but not less than thirty (30) days prior to the expiration date.
1. In the event such notice is served, all parties to this Agreement agree to meet within sixty (60) days to begin good faith negotiations for a successor agreement. If not agreement can be reached within one hundred and twenty (120) days after the parties begin good faith negotiations, the parties agree to request the services of a mediator through the Federal Mediation and Conciliation Services (FMCS) in an attempt to reach resolution of the dispute. If the parties fail to negotiate a successor to this Agreement with the assistance of a FMCS mediator, the parties may then pursue interest arbitration to resolve any matters upon which genuine impasse has been reached. Until such resolution procedure is complete and final, this Agreement shall remain in full force and effect, and the Committee shall continue with the full participation from all parties.
 2. If the Committee is ever dissolved, any union that is a signatory to this Agreement may demand to bargain over the issue of insured benefits. Until the outcome of such negotiations is determined and until any applicable impasse resolution procedure is complete, the insured benefits shall remain unchanged as of the date of the Committee's dissolution.
